Sir:

REMARKS

Applicant offers the following comments in response to the Examiner's Statement of Reasons for Allowance set forth on page 2 of the Notice of Allowability dated March 10, 2005. The Reasons for Allowance merely paraphrase independent claims 2 and 9, and therefore do not accurately restate the claimed invention.

Applicant does not admit to the characterization of the teachings of Tamagaki (prior art) set forth in the Statement.

Further, Applicants note that independent reasons, other than those cited by the Examiner, exist for the allowability of the dependent claims as well.

Respectfully submitted,

Allison M. Tulino
